Sir,-

Re W½ 6-29-18-W.4th Mer.
John Brown.

I beg to inform you that representations have been made to this Department that the lien for $301.80 given to His Majesty in the right of the Dominion of Canada by John Brown of Magrath, Alta., in connection with the E.½ 1-6-22-W.4th Mer. and the liens for $21.00 and $40.80 given by John Brown of Sunnydale, Alta., in connection with the SE¼ 31-25-4-W.4th Mer. have been wrongfully registered against the NW¼ 6-29-18-W.4th Mer. standing in the name of John Brown of Verdant Valley, Alta., who is not the same person as either one of the lienors above mentioned. It is also represented that the lien for $12.15 given by John Brown of Verdant Valley, which has been paid and for which discharge was sent you with my letter of the 18th April, 1918, is wrongfully registered against the said NW¼ 6-29-18-W.4th Mer., and that the said liens should not cloud the title to the last mentioned land.

You are, therefore, hereby authorized and requested to remove the liens for $301.80, $21.00, $40.80 and $12.15 registered in the Land Titles Office as Nos. 446 BK and 7641 BC from the North-west quarter of Section 6, Township 29, Range 18, West 4th Meridian.

A copy of this letter is being sent to Messrs. Lougheed, Bennett, McLaws & Co., Barristers, Calgary, who have written to the Department in this case.

BOARD ORDER
No. 11259

Dear Sir: -

Re: S.E.¼ - 31 - 2 5 - 4 - W4thM
John Brown
Joint Relief Advances

The above named debtor obtained the following advances for which a lien was registered against the title.

April 4th, 1922 -	$	35.20
Interest to March 31st, 1954 -		78.71
	$	113.91

The debtor died on July 19th, 1954, and the Estate is being administered by the Public Trustee of the Province. The assets of the Estate consist of the above described parcel of land assessed at Four hundred and ten dollars ($410.00), and 100 acres in the south west quarter of the same section assessed at Three hundred and forty dollars ($340.00). There was also some horse drawn machinery which would have little if any value and cash assets of approximately Six hundred and fifty dollars ($650.00).

The Public Trustee has submitted an offer and made payment of Sixty-eight dollars and thirty-five cents ($68.35), as a compromise settlement of the Joint Relief Account and has requested that the lien be discharged.

Further information indicates that a mortgage to the National Trust Company for One thousand dollars ($1,000.00) was registered on March 31st, 1919, a second mortgage for Three hundred and fourteen dollars and forty-five cents ($314.45), to the Bank of Hamilton was registered March 20th, 1920, and a third mortgage to the Bank of Hamilton for Six hundred and forty-seven dollars and fifty cents ($647.50), was registered on April 13th, 1922. The first two mortgages were charged against the land prior to the Joint Relief Lien.

Continued on page 2.

The Public Trustee has settled the National Trust Company mortgage on which the full principal amount was still outstanding for Five hundred dollars ($500.00), and the two Bank mortgages totalling Seven hundred and ninety-one dollars ($791.00), were also settled by him for only One hundred dollars ($100.00).

Payment of Sixty-eight dollars and thirty-five cents ($68.35), referred to above represents 60% of the amount due and is full recovery of the principal amount together with a substantial portion of the interest charges and I am of the opinion that the settlement should be accepted.

I would, therefore, recommend that after providing for application of Sixty-eight dollars and thirty-five cents ($68.35), the account be adjusted so that it will stand paid in full and the lien be discharged.

Provincial Seed Grain Advances in the amount of Sixty-six dollars and fifty-six cents ($66.56), have already been cancelled.

Please refer to letter of the 4th instant, received from Mr. Jesse Erskine from which it would appear that he is unable to obtain a loan in connection with his pre-emrtion. This being the case, there would be no advantage in granting him an extension of time in connection with his Certificate of Recommendation and I send the file to you as it would appear that an extension of time to complete payment would be more advisable.

Dear Sir:

Re: N.W. 9-31-2-W4

This Department has an old account against the above noted land for advances of seed grain to Jesse Erskine in 1922. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

This land is unalienated crown land occupied at present under lease term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Re: Account of Jesse Erskine
N.W. 9-32-2-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1922 seed grain amounting to $142.00 was advanced to Jesse Erskine on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 142.00	$ 296.68	$ 438.68

The N.W. 9-32-2-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 18th of June 1924, and is still Crown land held in the right of the Province.

In reply to our questionaire of the 26th of May 1952, J.H. Tedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

The Secretary,

Ottawa.

Dear Sir,

In September 1911 I took up a half section of land in the Red Deer District the particulars 36-36-5-W4, Pre-emption 35-36-5-W4 up to the present I have broken ten acres and cropped four on the homestead and on the pre-emption have broken thirty acres, and cropped twenty.

In regards residence duties I can state that on the 25th November 1911, and with the exception of the months of November and December 1913 have lived on the land continuously. I am

matter that the first part of the time
I lived on the homestead but a small
part of the pre-emption.

My reason for developing the
pre-emption after having made my first
years labor on the homestead, was on
account of the comparatively lighter
cost of the former, which, as I have but a
small sum of money was a great consideration;
and the added convenience of water,
and shade that the quarter afforded.

As I am anxious to prove up
on the pre-emption & intend to
commute the timber, and so raise
a loan to enable me to work the land
better at present I am very badly handicapped
I should enter into partnership if you would
have me if there are any further duties
you would require performed before granting
the patent.

Thanking you in anticipation,

I remain Yours truly,

Sir,-

Re - Account- Harold W. Moss,
S.W. 36 & N.E. 35-36-5-W. 4th M.
Your Ref. #186571.

Please note amendment as to land affecting the above mentioned account. Previous statements, it will be observed, have been addressed to Mr. Harold W. Moss at Steveston, B.C.

Investigation of the file, however, shows that L.H. Moss writing under date of the 4th of February, 1925, from Monitor, Alta., stated that his brother's address was Maradon, Western Australia, and there would consequently seem to be little hope of making any collection from Harold W. Moss.

In regard to the advance made in 1923 for $142.20 on the security of the N.E. 35-36-5-4, this loan was signed by L.H. Moss as attorney for Harold W. Moss, and from a communication which you forwarded on the 16th May, 1924, Mr. L.H. Moss of Monitor stated he was responsible for having placed the improvements on the unpatented land and further that his and his brother's farming enterprises were joint ones.

It would therefore seem that Mr. L. H. Moss benefited from the advance in question and I would, therefore, suggest that he be interviewed and closely questioned as to the points in dispute as it may be found that he solely benefited from the advance.

This action might be taken when you have an Inspector in the vicinity of Monitor.

Your obedient servant,

J. Marchand,

Financial Controller.

Sir:

Seed Grain Ln.

Re. NW 36 & NE 35-36-5, W4

In 1915 Harold W. Moss secured a seed grain advance on the security of the above land. As the lienor is now residing in Australia, there appears to be little chance of collection from him.

In 1920 this settler secured a seed grain advance in the amount of $142.20, with interest thereon at seven per cent from the 21st of May 1920, on the security of the NE¼ of Section 35, his pre-emption entry for which has since been cancelled. The 1920 lien was signed by L. H. Moss as attorney for Harold W. Moss, and in a communication to this office L.H.Moss stated he was responsible for having placed the improvements on the NE¼ of Section 35, and that he and his brother were jointly interested in the farming operations being conducted thereon. As Mr. L.H.Moss no doubt benefited from the 1920 seed grain advances you are requested to interview him and ascertain the correct state of affairs with reference to the advance in question, and if it appears that he benefited solely from the advance an effort should be made to collect the amount of the account. I am informed that L.H. Moss' address is Monitor.

I am in receipt of your report of the 23rd ultimo with respect to the above land. Re: Account of Harold W. Moss,
NW 36 & NE 35-36-5-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1920 seed grain amounting to $232.50 was advanced to Harold W. Moss on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 232.50	$ 498.48	$ 730.98

Patent was issued in the name of Harold William Moss for the N.W. 36-36-5-W.4th on the 24th of August, 1921, subject to the 1915 and 1920 liens. The N.E. 35-36-5-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The North East quarter of Section 35, is unalienated Crown land which is presently occupied under grazing lease from this Department while title to the North West quarter of Section 36 is vested in this Department having been acquired through Tax Recovery proceedings and is occupied at present under Cultivation Lease from this Department. This land is located in that part of the Province designated Special Areas and in view of this fact there is little likelihood of sale ever being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Certified copy of a Report of the Committee of the Privy Council on the

The Committee of the Privy Council have had before them a report, dated 25th February, 1921, from the Minister of the Interior, submitting that on the 25th October, 1915, Thomas H. Crow made homestead entry for the North west quarter of Section 28, Township 20, Range 4, West of the 5th Meridian.

The Minister states that Mr. Crow enlisted in the Canadian Expeditionary Force and was on active service from the 24th February, 1916, to the 8th February, 1917, when he was discharged as medically unfit owing to flat feet;

That by virtue of military service Mr. Crow is entitled to credit for two terms of residence under the homestead regulations and would under ordinary circumstances be required to perform one term of six months actual residence besides completing the cultivation duties before becoming entitled to patent.

That it has been represented to the Department of the Interior that Mr. Crow is unable to support himself owing to various physical disabilities such as flat feet, rheumatism, and valvular disease of the heart, in support of which medical certificates have been submitted.

The Committee

The Minister of the Interior

etc

The Minister recommends, under all the circumstances of the case, that the residence requirements of the entry be waived under the provisions of section 20 (Subsection 2) of the Dominion Lands Act and that patent issue on proof of the performance of the other conditions of the law, provided, however, that the erection of a house be dispensed with.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

OTTAWA, September 1st, 192 .

Sir,

N.S. 17 - 6-1-4 . 4th Mer.

Referring to the Departmental communication of the 16th ultimo wherein you were requested to furnish your certificate of naturalization as a British Subject, required in connection with your application for patent for the land above described, I am to inform you that a communication has been received from the Department of the Secretary of State, advising that you were notified to appear before a Judge of the Supreme Court, Edmonton, on the 15th of May last, in connection with your application for naturalization, but that up to the present time you have not done so.

In view of the above you should put yourself in communication with the Deputy Clerk of the Supreme Court, Edmonton, Alberta, and request him to advise you of the date you should appear at the Supreme Court in connection with naturalization.

I would point out that you have held this land since July 1914 and your entry is liable to cancellation for failure on your part to make completed application for patent within the prescribed time.

Memorandum,

OTTAWA, 11th June, 1923.

Mr. Hume,

Re-N.E.½ 17-60-15-W. 4th M.
Homestead - John Dubinsky.
Dateof entry - 2nd June, 1914.

Mr. Dubinsky made application for patent for his homestead 29th March, 1920. The evidence submitted showed the completion of the required settlement duties taking into consideration the cost per acre of the breaking.

Mr. Dubinsky's application for patent has not been submitted for approval because of his failure to submit evidence that he is a British Subject or that he has been declared eligible to receive patent under 4 of 10, Geo V, Chapter 11.

Mr. Dubinsky made application for Naturalization 19th January, 1922, and a report received from the Department of the Secretary of State is to the effect that Mr. Dubinsky failed to appear in Court to give evidence in support of his application for naturalization. He was notified to do so. This information has been confirmed 22nd May, 1923. It would appear that Mr. Dubinsky has disappeared from the District as Inspector Doze reported 28th December, 1922, that his brother had informed him that no one knew where Mr. Dubinsky had gone. He was supposed to have gone to work in the mines.

Cancellation proceedings were instituted against the entry 1st March, 1923, in behalf of the Department. The entrant has not filed a defense. He is indebted to the Department for Seed Grain etc. amounting to $[illegible].13 subject to interest from 31st March, 1923.

Kindly advise whether the agent should be asked to communicate with Mr. [illegible] address unknown here and ascertain from him [illegible] possible to trace the homesteader. The settlement duties required for the homestead have been completed. The application for patent is being held up for evidence of the applicant's [illegible] to become a British Subject when eligible.

Dear Sir

On Jany 9th I visited the Dominion Land Office Edmonton for the purpose of filing on the Homestead quarter mentioned above.

Although the person who previously filed on this quarter has not occupied it or done any improvements during the last four years I am informed that it is not open for entry.

I am also informed that [illegible]

I may say that I am a British subject and that I do not wish to obtain any land from any person if this quarter is thrown open but would if possible like to have it as all my family are located in the vicinity

There is also a Grain Lien of approximately $360 on the quarter which I would pay off. and intend to have only Pure Bred Cattle Stock (Shorthorns) I would be pleased if you would consider this matter and inform me whether or not it is likely to be open for entry.

Yours very truly

I beg to acknowledge receipt of your communication of the 11th instant in reference to the above described quarter-section.

In reply I may say that this land still stands as a homestead entry in the name of John Dubinsky. The entrant made application for patent showing the duties completed, but his application has been held up for failure to furnish proof of his status as a British subject. You will, therefore, see that the land is not available for disposition at present.

Cancellation proceedings have been instituted against the entry on behalf of the Department, and should cancellation be carried out on the 1st April next, at which date the winter protection now in force expires, the land would have to be posted in accordance with the regulations to become available to the first eligible applicant.

The Agent of Dominion Lands at Edmonton is being requested by concurrent mail to make a note of your name and address in his records, and in the event of the land being again thrown open for entry, to advise you of the exact date on which same will be made available.

With reference to the recent application for homestead entry of William Potter for the above quarter-section, it is noted that Mr. Potter paid $65.00 in connection with seed grain account outstanding against this quarter-section, but he did not pay anything for the improvements thereon. As the former entrant had made application for patent for this quarter-section it is thought probable that there may be some improvements thereon. Dear Sir,

With reference to your letter of 17th December re the above quarter. I cannot understand why the the Homestead Inspector should write you in this matter.

I may say that I filed on this Quarter on April 4th 1914 and I was on the land the day after. and did not leave untill august.

I cleared Six acres and broke it and afterwards cleared nine more when it was too late to break. I have also fenced around the three sides with two wire.

I do not quite understand how much your department expects one to do I felt that I had carried out your requirments in the matter. I say that I intend to return as soon as I can get on the land. I should be glad to here from you if this is satisfactory.

Yours truly.

Dear Sir;-

I am in receipt of your notification cancelling the above Homestedd for non-fulfilment of the conditions of the Homestead provisions of the Dominion Lands Act,
I may say when I entered this Homestead I fully intended to occupy the land and prove up according to the provisions.
Immediately on entering I received a Tax Note from the Municipality taxing the Homestead at the value of $900,00.
Whilst protesting the amount of taxes I proceeding to clear the land and broke ten acres and fenced three sides with a wire fence, showing that I fully intended to stay on the Homestead.
I may say the reason that I protested the amount of tax was because the part N.½ Sec 17.Township 50.had a full line of buildings and had forty acres in crop.All was assessed at $900,00,the same as I was being assessed at, which was in my opinion anything but fair or reasonable.
I was unable to get the Municipality to agree to re-consider the amount of tax, as I felt that there was a desire on the part of that Municipality to encourage anyone to take up land in that district.
I might say that there was a trail left on the land to the amount of $40,00 when I entered I paid into the Dominion Land Office

at Edmonton the sum of $60.00.

In view of the fact that you have now cancelled my entry I think it is only right that that amount should be returned to me.

Re: Account of John Dubinsky
N.E. 17-60-15-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1917 seed grain amounting to $183.75 was advanced to John Dubinsky on the security of the above mentioned land. A payment of $60.00 was received in 1924 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 183.75	$ 256.63	$ 440.38

The N.E. 17-60-15-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 1st of April 1924, and is still unalienated Crown land.

In reply to our questionaire of the 30th of April 1952, V.A. [illegible], Director of Lands, Department of Lands and Forests, Province of Alberta, advised that this quarter section is still vacant Crown land and that there has been no inquiries about this land.

As the land no longer offers any security of value and there does not appear to be any likelihood of the Province disposing of the land for farming purposes in the near future, it is recommended that the indebtedness be cancelled.

Sir:

Referring to the declaration of abandonment you executed on the 21st ultimo, in connection with the South West quarter of Section 14, Township 54, Range 6, West of the 4th Meridian, I may say that your entry for this quarter-section was cancelled on the 2nd April, 1914, owing to your failure to comply with the terms upon which you were granted the land.

S.E. ¼ Sec. 33 Tp. 55 Rge. 4 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

OTTAWA - AP[illegible]

Memorandum:

Request for Title under Order in Council of the 4th June, 1931, where duties completed by soldier settler.

Re: John Whitelaw,—
N.E.¼ [illegible]—27 W.4th M. (S.S.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 11st May, 1920, the settler secured advances from the Board totalling $[illegible]10.00, as follows: stock and equipment, $[illegible]9.34; permanent improvements, $700.00; special advances, $[illegible]. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is title to the N.E.¼ [illegible]—27 W.4th M.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler dated the 11th March, 1931.

The regulations approved by the Governor in Council on the —th June, 1931, P.C. 1[illegible]1, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ [illegible]—27 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 38 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for the S.W.¼ [illegible] W.4th M., which was subsequently transferred to the N.E.¼ [illegible] W. 4th M.

A Vesting Order for signature is attached hereto.

DOMINION LANDS ADMINISTRATION

OTTAWA. 10th March, 1930.

Copy to the A.D.L. Calgary.
Ref. / 155182.

Sir,-

S.W. ¼ Sec. 21 Tp. 40 Rge. 4 West 5th Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to enter for a second homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands, will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an uncompleted pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Re.-[illegible]

Sir,-

N.W. ¼ of Sec. 10, Tp. 36, Rge. 4, West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Arthur George Somers, Esq.,
Dunmiling Lake,
Alberta.

ACTION TAKEN
C.C.P.

Sir,

I beg to acknowledge the receipt of your letter of the 17th ultimo, which has been forwarded here by the Agent of Dominion Lands at Calgary, wherein you ask for a certain extension of time within which to go into bona fide residence on your homestead, the S.W. ¼ of Section 31, Township 24, Range 8, West of the Fourth Meridian, and in reply to say that there is no provision in the regulations whereby you could be granted such a privilege as cancellation proceedings are outstanding against your entry.

You apparently have held this land since September, 1911, but up to the present time have done nothing in the way of settlement duties, and therefore, you cannot be shown any further consideration.

A copy of this letter is being forwarded to the aforesaid Agent, requesting him to carry out the instructions contained in the Departmental letter of the 16th October last.

Your obedient servant,

Assistant Secretary.
